Coniston sailing Club was formed in 1967 by nine people at an inaugural meeting in the nearby Ship Inn. The newly formed club approached the owners of the land for permission to use the site for a sailing club. Permission was granted on the understanding that the club would make the site good and would keep it in good order. Initially there were no services laid on, but these were provided in subsequent years as the premises were extended to be as they are today. The National Trust acquired the site and leases it to Coniston Sailing Club. From the initial small group of members, the Club now has a membership 450 adults and almost 100 juniors.

Coniston Water is approximately 8.5Kms long and 0.8Kms wide at its widest point. It is subject to a speed limit of 10 mph.

Coniston sailing Club has a varied calendar of events from club racing, cruising, national class racing meetings and national class championships for both dinghies and cruisers. The club runs many and regular sail and race training for its members both young and not so young. There are overnight stays on the lake with BBQ's social events in the clubhouse on Saturday nights, annual dance, Christmas dinner etc.

The membership year runs from January to December with the clubhouse being open from March to November.

**The club is run by the membership and all members are expected to do a duty each year to help the running of the club. The duty can be bar, social, sailing or with the general up keep of the building.**

The membership fees for 2009 are:-

Adult - £65.00 (over 17)
