We are fortunate to have had another successful season at CSC. Well done to all of the competitors in the 2011 season, dinghy and cruiser alike, and congratulations to all of the prizewinners.

Also, a big THANK YOU to the many willing volunteers who helped to man the escort boats, run the race hut and the galley. Without these willing volunteers, the sailing programme could not run.

We look forward to seeing you all again next season.

Best wishes,
Chris Ellwood (Sailing Secretary).
